"If You Love Someone"

Visit "[If You Love Someone](#)" on MotoLyrics.com

V1- the terminal was crowded
i saw you and i shouted
then felt alone inside my bones

on our way back to the falls
i could tell that she was never
coming back here my worst fear

Ch- if you love someone let them go and if they come
back to you their yours
if you love something set it free if it comes back to you
it's yours

V2- two years on this road
it felt like speaking code
did she change her mind i'll blame the time

i wanna sail across the ocean
and find her before she made the
choice to walk away
but i have to let her go

Bgv1 Ch- love let go
love set free

Bgv2 Ch- love someone let go
love something set free
