This is redemption,  
that You would die for me  
And this is salvation,  
that You would live in me  
That You would live in me  
This is redemption, and this salvation  
And this is our mission, and this is our passion

What love is this? —  
That You would die for me?  
What love is this? —  
That You would die for me?  
What love is this? —  
(Let's start this over)  
That You would die for me?  
What love is this? —  
(Let's start this over)  
That You would die for me?  
What love is this?

This is redemption,  
that You would die for me  
And this is salvation,  
that You would live in me  
That You would live in me  
This is rejection,  
that they would all hate me  
And this is submission  
that I would live holy  
That I would live holy

What love is this? — (Let's start this over)  
That You would die for me? (Let's start this over)  
What love is this? — (Let's start this over)  
That You would die for me? (Let's start this over)  
What love is this? — Let's start this over and  
we'll see  
That You would die for me? Just where this love will  
take us  
What love is this? — Your presence shows us  
grace  
That You would die for me? Right here in our own

meditation

Creation finds your mercy  
Redemption, passion, glory  
Creation finds submission  
Redemption, passion, glory

What love is this ãfÂçâ, ãÃ,Â! (Let's start this over)  
That You would die for me? (Let's start this over)  
What love is this ãfÂçâ, ãÃ,Â! (Let's start this over)  
That You would die for me? (Let's start this over)  
What love is this ãfÂçâ, ãÃ,Â! Let's start this over and  
we'll see  
That You would die for me? Just where this love will  
take us  
What love is this ãfÂçâ, ãÃ,Â! Your presence shows us
