It's too late to say okay, you didn't mean it now  
Oh, oh, oh, oh, oh, oh  
Maybe it's me, your words make you look envious  
Oh, oh, oh, oh, oh, oh

Say what I mean to you now  
Sing it with me  
Oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh

Shake it, shake, shake it, shake it off  
I'm gonna shake, shake it, shake it off  
Shake, shake it, shake it off  
I'm gonna shake, shake it, shake it off

You speak in lies and hate just like a killer would  
Oh, oh, oh, oh, oh, oh  
I can't take it, take it, take it, I can't make it, make it  
'Cause I'm shakin', shakin' from words like bullets

Say what I mean to you now  
Sing it with me  
Oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh

Shake it, shake, shake it, shake it off  
I'm gonna shake, shake it, shake it off  
Shake, shake it, shake it off  
I'm gonna shake, shake it, shake it off

Your methods seem to me like surgery  
You can fire away but your words ricochet  
Ricochet, ricochet, shake, shake, shake it

Shake, shake it, shake it off  
I'm gonna shake, shake it, shake it off  
Shake, shake it, shake it off  
I'm gonna shake, shake it, shake it off

Shake, shake it, shake it off  
I'm gonna shake, shake it, shake it off  
Shake, shake it, shake it off

I'm gonna shake, shake it, shake it off
