London city forever you're not a still creep aint no

Live o ghetto record with no redemption world wide

hotter than Nelly I can't lose

East side boy make the paper rise, never met anything
like my safeheart guys
Big up my north west south east types every section
where my connection lies
East side boy made the crowd go loops never had a
desire for chinese zoots
Big up my midland up north troops any playas in my
face come up with a bruse

Get your backs up backs up back off the wall
Sounds of the young star dizzee rascal
Don't give it half hearted give it all
Pull your socks up and stand up tall
Backs up backs up back off the wall
Sounds of the young star dizzee rascal
Don't give it half hearted give it all pull your socks up
and stand up tall

Can't run the marathon without trainin or stretch to
arsenal without straining
Too much hype not enough brain in whole lotta money
little maintaining
Whole lotta complaining no plan little more no less then
ten grand
Blingin ice sitting nice in your hand too much platinum
not enough land

East side boy make the paper rise never met anything
like the safeheat guys
Big up my Ireland Scotland types every section where

my connection lies
Eastside boy made the crowd go loops never had a
desire for Chinese zoots
Big up my Europe USA troops any playas in my face
come up with a bruse

Get your backs up backs up back off the wall
Sounds of the young star dizzee rascal
Don't give it half hearted give it all pull your socks up
and stand up tall

Sounds of the young star dizzee rascal
Don't give it half hearted give it all pull your socks up
