Sometimes I wake up wishing I can sleep forever,I spend  
my whole life trying to pull myself together  
Trying to reinsure myself dat I ain't going mad,i got  
come to a concluding it's now or never  
Sometimes I wake up wishing I could sleep for years,I've  
been through anger pain, blood sweting tears  
You think dat anybody in my possien would be glad  
(yea u would),quite the oppasite more worrys more  
Sometimes I wake up wishing I could sleep for days,its  
like im lost in luv im only init 'cause it pay  
Road things are getting bad,more and more I'm going  
back to my own ways  
Sometimes I wake up wishing I could sleep for good,  
and if I had the gutts to end it all belive I wou  
Its getting boring always being misrable and sad,S\*\*T  
I would luv to be palite I really I could  
But lifes impressions always get me down,theres not  
alot to smile bout so I frown  
And I talk a big whole heap of badness,because my life  
is a big whole heap of madness  
I've seen alot maybe more than I can take,under  
pressure everyday trying not to break.(ooohhhh)  
But I'll survive because it's wot I do best(get me),i'm a  
challanger put me to the test

Sleep tight everything will be alright  
By the end of the will be the day, just pray dat you see  
it  
Strongly got to be it if you wanna get through it  
Strechth your mind to the limit you can DO IT

Sleep tight everything will be alright

By the end of the will be the day, just pray dat you see  
it  
Strongly got to be it if you wanna get through it  
Stretch your mind to the limit you can DO IT

Its almost like I got the world on my shoulders,  
sumtimes (YO)i struggle,(YO)sumtimes u know im hitt  
We living hard times  
Noone to turn and noone to talk to,lifes like a doorway  
everybody walk trough  
Everybody talkin but nobodys listening, everyday some

Don't really ask much so I don't owe much, dont recieve  
alot of luv so I dont show much  
But the little that I'll do I put it in a song for you,handle  
your bissuness because I do

Sleep tight everything will be alright  
By the end of the will be the day, just pray dat you see  
it  
Strongly got to be it if you wanna get through it  
Stretch your mind to the limit you can DO IT

Sleep tight everything will be alright  
By the end of the will be the day, just pray dat you see  
it  
Strongly got to be it if you wanna get through it  
Stretch your mind to the limit you can DO IT
