### "G.H.E.T.T.O."

One, two.. straight up.  
Attack foots, attack monster.  
Mtv in the building,  
Check it.

I'm G.H.E.T.T.O please dont act like you dont know  
I stay called up when I roll,  
I'm alot of things but I'm not slow  
I'm G.H.E.T.T.O hot and still my heart is cold,  
I've been known to lose control  
Cause problems everywhere I go.

Dont give a damn whos got all that  
Dont give a damn whos got whos back  
Dont give a damn about no loose chat  
I'm a bad boy and im all that  
Dont give a damn who thinks there hot  
I can tell whos real and whos not  
Dont give a damn what tools you got  
Sword in ma trousers who wants what  
Dont give a damn about bars and clubs  
Dont give a damn if you know thugs  
Dont give a damn if you sell drugs  
Dont give a damns if you are sluts  
Dont give a damn how street you are  
Dont give a damn how cheap you are  
Dont give a damn how deep you are  
I'll show you what a chief you are

Coz  
I'm G.H.E.T.T.O please dont act like you dont know  
I stay called up when I roll,  
I'm alot of things but I'm not slow  
I'm G.H.E.T.T.O hot and still my heart is cold,  
I've been known to lose control  
Cause problems everywhere I go.

Stand up tall, you fool,  
I'm blessed almighty like sunday school  
Cold like winter, not cool

Flexed like seamen, im on the ball  
So many others with material  
How many flex like dizzee rascal  
Dont follow any rule, not at all  
Keep my eyes wide open clock it all  
Cant stop me dont watch me  
Black faced cockney, ever so cocky  
Trust me, I'm a hustler, dont knock me,  
Dont back down, easy step properly  
Broad daylight robbery  
Ive been a thug, mc's dont bother me  
Done with the snobbery  
Neighbourhood nuscience  
These bros aint forgotten me

I'm G.H.E.T.T.O please dont act like you dont know  
I stay called up when I roll,  
I'm alot of things but I'm not slow  
I'm G.H.E.T.T.O hot and still my heart is cold,  
I've been known to lose control  
Cause problems everywhere I go.

I like to move it move it  
You want me, prove it  
You got a problem dont excuse it  
You got a 9mm, its a parogative  
Use it, your got a temper, lose it  
If not just bounce to the music  
Thats a better dress anyway choose it  
Coz you know that you cant refuse it  
Watch the beat how I bruise it  
What I like,well nod your head stupid  
I ain cupid, no love lost  
I get paid at the end what ever the cost  
I'm the boss, still work for me  
Dont stand lookin pretty like kate moss  
Put your hands up like you aint got a choice  
I bet you know im gunna get my point across

I'm G.H.E.T.T.O please dont act like you dont know  
I stay called up when I roll,  
I'm alot of things but I'm not slow  
I'm G.H.E.T.T.O hot and still my heart is cold,  
I've been known to lose control  
Cause problems everywhere I go.

Highly fasionable, irrational, international,  
Kill the classical, love theatrical, tactical  
Keep coming with your hits  
Ive smacked them all  
I'm not wasteful, im tasteful

Untraceable, but irreplaceable  
And I aint peaceful, i'm leafy  
Entertain for all, but unattainable  
No ones door mat, i'll die before that  
Ignore that, a war before that,  
I'm sure that, I got the game  
Ill lock keep score of that  
Dizze rascal on the footsy format  
Im gunna go ride with the mahaga  
These fake mc's gotta try that  
There really on my level with spider

I'm G.H.E.T.T.O please dont act like you dont know  
I stay called up when I roll,  
I'm alot of things but I'm not slow  
I'm G.H.E.T.T.O hot and still my heart is cold,  
I've been known to lose control  
Cause problems everywhere I go
