[Alright mate]

Lily:

So you wanna be a gangster  
tell me just one thing  
what you know about being a hardman  
you mum buys your bling

your pockets getting bigger  
but you couldn't pull the trigger  
if you need to  
cos you havent got it  
so you might as well quit

Dizzee:

Im moving,  
couldnt be losing  
nothing but a success
