Love

Hidden in my mind

Let it out to shine

I'm calling out your name

And running in the rain

I love to turn you on

The dream is always strong

And love

Floating in the air

And I can see you there

All hope was lost

On a night in December

Only a mad man to blame

So many tears

On that night in December

But on cold foreign fields

There's a flame

So we always remember your name

I haven't read the news

Saddened and confused

And dream

In my life i swear

I saw you standing there

All hope was lost

On a night in December

Only a mad man to blame

So many tears

On that night in December

But on cold foreign fields

There's a flame

So we always remember your name
