(Track 4 on "Rotator")

Love  
Hidden in my mind  
Let it out to shine  
I'm calling out your name  
And running in the rain

I love to turn you on  
The dream is always strong  
And love  
Floating in the air  
And I can see you there

All hope was lost  
On a night in December  
Only a mad man to blame  
So many tears  
On that night in December  
But on cold foreign fields  
There's a flame  
So we always remember your name

I haven't read the news

Saddened and confused  
And dream  
In my life i swear  
I saw you standing there

All hope was lost  
On a night in December  
Only a mad man to blame  
So many tears  
On that night in December  
But on cold foreign fields  
There's a flame  
So we always remember your name
