(Track 5 on "Rotator")

Now she's touching my leg
Seems a little bit fake
But I will let it go on for a minute
Now she's starting to cry
Well I see you bye-bye
So she's starting the discussion
'bout a pay-back

Touch me when I'm falling
Catch me when I'm crawling

I need a little back-bone-beat
'cause it might as well turn you on
I cheat with the back-bone-beat
But it might as well turn you on
Life is going to take some time
And it's only for the social

Well she's breaking my pain
Like to do it again
I can see you getting colder
In a winter

But there's no way to turn
I don't need no concern
So I'm kindly presenting
You for my finger

Touch me when I'm falling
Catch me when I'm crawling

I need a little back-bone-beat
'cause it might as well turn you on
i cheat with the back-bone-beat
but it might as well turn you on
life is going to take some time
and it's only for the social
