Lost inside a dream
If you know what I mean
I am runnin' round in circles

Misery was here
Acted so sincere
Now I'm runnin' round in circles with a friend

I can't find you
Where are you barbedwired baby?
Are you hidin'?
Please tell me what's inside the screen
Is it a barbedwired baby's dream?

Sittin' all the time
Tryin' to make it rhyme
But I'm stoned for a moment

Diggin' in the moon
With a silver spoon
Yes I'm stoned for a moment
With a friend

I can't find you
Where are you barbedwired baby?
Are you hidin'?
Please tell me what's inside the screen
Is it a barbedwired baby's dream?

I can't find you
Where are you barbedwired baby?
Are you hidin'?
But the objection's overruled
Why do I always play the fool?
Please tell me what's inside the screen
Is it a barbedwired baby's dream?
