(Track 7 on "Rotator")

I've been diggin' diggin' down down
For a reason not to go
But it's a tricky tricky time time
So I guess I can't say no

And you can tell me how much I have earned
But I don't receive it
You can tell me 'bout my future plans
But I don't believe it

Break - all I need is a teeny-weeny break

Singin' super super songs songs
But you really don't seem to care
It's only when the money rolls in
We'll be sure to see you there
And you can tell me how much I have earned
But I don't receive it
You can tell me 'bout my future plans
But I don't believe it

Break - all I need is a teeny-weeny break
