(Track 13 on "Dizzy Mizz Lizzy")

Here we are
in the middle of the night
single's bar
and the madman is out to get me

Loosen up
with a bottle of beer
but wait now stop
there's a big chick coming over to see me

She wants my love for just one night
I should say no but said alright

And we're not lovers for God's sake
and teasin' isn't fair
I don't love her for God's sake
and I don't really care

But her mind's out of line

Sinkin' low
in the middle of the night
here I go
and the madman is out to get me

In a storm
in the middle of the night
on the run
and the madman is out to get me

She wanted my love for just one night
I should say no but said alright

And we're not lovers for God's sake
and teasin' isn't fair
I don't love her for God's sake
and I don't really care

But her mind's out of line
