Saw your face in the
Paper that I bought today
I heard our song on the radio

I know you're not a part of
This wicked world anymore
But life goes on for me and I don't care
If you're standing there

She don't mind the pain
Love is a loser's game
Time is on my side
You got nothing to hide
Love is a loser's game, my friend
Till the very end

I don't remember nothing
After all we've been going through
But life goes on for me
And I don't care

I saw your face in the
Paper that I bought today
I heard our song on the radio
On a rainy-day show

She don't mind the pain
Love is a loser's game
Time is on my side
You got nothing to hide
Love is a loser's game, my friend
Till the very end

She don't mind the pain
Love is a loser's game
Time is on my side
And you got nothing to hide
Love is a loser's game, my friend
Till the very end, my friend

Love is a loser's game
Time is on my side

You got nothing to hide
Love is a loser's game, my friend
Till the very end
