(Track 10 on "Rotator")

In your garden  
I try to fall asleep

Sister Mary  
Walking on the wall  
Sister Mary  
Heading for a fall  
Sister Mary  
Waiting for a call  
Sister Mary  
Pride before a fall

So many moments  
All I really neede was the one  
So many moments  
I have been mistreated  
Playings done  
Pretty soon I'm gonna run  
Sister Mary  
Walking on the grass  
Sister Mary  
Breathing on the glass  
Sister Mary  
Looking at the past  
Sister Mary  
You've got peace at last  
So many moments  
All I really neede was the one  
So many moments  
I have been mistreated  
Playings done  
Pretty soon I'm gonna run

Take it or leave it  
'cause I don't care  
you better believe it  
I'm down there  
Take it or leave it  
I'm down there  
Take it or leave it  
'cause I don't care

I come out of the blue  
Bringing dark days for you

In your garden  
I try to stay awake
