Dj Alex In the mix

Now you're gone
I realize my love for you was strong,
And I miss you here now your gone
i keep waiting *here* by the phone,
With your picture hanging on the wall
Now you're gone

I realize my love for you was strong,
And I miss you here now your gone
I keep waiting here by the phone,
With your picture hanging on the wall
Is this the way it's meant to be
Only dream that you're missing me
I'm waiting here at home
I'll go crazy now you're gone
Theirs an empty place in my heart
without your longing it will break apart
It's only your healing that makes it fade away
Ill be thinking bout you everyday
