Now your gone  
I realize my love for you was strong  
and I miss you here now your gone.  
I keep waiting here by the phone  
with your pictures hanging on the wall.

Now your gone  
I realize my love for you was strong  
and I miss you here now your gone.  
I keep waiting here by the phone  
with your pictures hanging on the wall.  
Is this the way its ment to be  
only dreamin that ur missin me.  
I m waiting here at home  
I'll be crazy now ur gone.  
Theres an empty place in my heart  
with out my honey it will break a part.  
It won't heal it never fades away.  
I will think about you every day.

Are you ready?  
Ready set TAKE OFF
