Now your gone
i realise my love for you was strong
and i miss you here now your gone
i keep waiting here by the phone
with your pictures hanging on the wall

Now your gone
i realise my love for you was strong
and i miss you here now your gone
i keep waiting here by the phone
with your pictures hanging on the wall

Is this the way it's ment to be
only dreaming that your missing me
i am waiting here at home
i am crazy now your gone
theres an empty place in my heart
now i only wish there wasnt a place apart
if only healing ever fades away
i'll think about you everyday

Now your gone
i realise my love for you was strong
and i miss you here now your gone
i keep waiting here by the phone
with your pictures hanging on the wall

Is this the way it's ment to be
only dreaming that your missing me
i am waiting here at home
i am crazy now your gone

Now your gone
i realise my love for you was strong
and i miss you here now your gone
i keep waiting here by the phone
with your pictures hanging on the wall

Is this the way it's ment to be
only dreaming that your missing me
i am waiting here at home
i am crazy now your gone

theres an empty place in my heart
now i only wish there wasnt a place apart
if only healing ever fades away
i'll think about you everyday
