Transaltion:

(Helena)

Arash I'm telling, that I love you
In this world I have only you
I am alone without you
Listen to me carefully, I love you

(Arash)

All alone in this room, I am without you
Now here its raining without you
In this spring night, you are far away from me

Come here star, tell me yes!

(Helena)

Yes i'ts spring time, I' m coming back to you again

Arash, without you I'm cold. oh, my love

Yes, i'ts spring time, tonight heart is troubled

Arash, you are mine, oh, my love

(Arash)

Life with you is so wonderful

Every time you are here it is always spring

Hand in hand sweetly, let's be together

Say my name, tell me yes!

(Helena) ((x3))

Yes i'ts spring time, I'm coming back to you again

Arash, without you I'm cold. oh, my love

Yes, i'ts spring time, tonight heart is troubled

Arash, you are mine, oh, my love
