I'll make you woff like a dog

woff woff (x 4)

I'll make you woff like a dog

woff woff (x 4)

I've got a bone and you can chew it
If you like the doggy style baby we can do it
I've got a bone and you can chew it
If you like the doggy style baby we can do it
I've got a bone and you can chew it
If you like the doggy style baby we can do it
I've got a bone and you can chew it
If you like the doggy style baby we can do it

Woff like a dog

Woff woff
Yo will make me, woff woff
Let me hear ya, woff woff
Com' on, woff woff
I'll make you woff like a dog

I'm gonna give it to you just the way you like it
I'm gonna give it to you just the way you want it
I'm gonna give it to you just the way you love it
I'm gonna give it to you just the way you need it
I'm gonna give it to you just the way you like it
I'm gonna give it to you just the way you want it
I'm gonna give it to you just the way you love it
I'm gonna give it to you just the way you need it

Woff like a dog

Woff woff
Yo will make me, woff woff
Let me hear ya, woff woff
Com' on, woff woff
I'll make you woff like a dog

Let me hit it
Let me hit it
Let me hit it from the back in the tack like that
Let me hit it
Let me hit it
Let me hit it from the back cause you like it like that
Let me hit it
Let me hit it
Let me hit it from the back in the tack like that
Let me hit it
Let me hit it
Let me hit it from the back cause you like it like that

I'll make you woff like a dog, woff woff (x 8)
