Keep you spirit high,  
And let it flow,  
I'll take you where you want to go,  
Open up and let me free your soul,  
Just let your body lose control

Keep your spirit high,  
And let it flow,  
I'll take you where you want to go,  
Open up and let me free your soul,  
Just let your body lose control

This is...  
The DJ Aligator...  
Remix!

Keep your spirit high.  
And let it flow,  
I'll take you where you want to go (Aligator),  
Open up and let me free your soul,  
Just let your body lose control (Remix)

Keep your spirit high.  
And let it flow,  
I'll take you where you want to go (Aligator),  
Open up and let me free your soul,  
Just let your body lose control (Remix)

No matter where you go,  
No matter what you do,  
Just remember,  
Always fly

No matter where you go,  
No matter what you do,  
Just remember,  
Always fly

(DJ Aligator laughs)
