Blow my whistle bitch (x4)
Open up put it in
Let's begin (x1)
blow my whistle bitch
Blow it like ya mean it blow (x4)

Le le let me hear you say - uh uh
Louder - uh uh
Let me hear you say - uh uh
Louder - uh uh
Is that what you call loud
Come on let me hear you say - uh uh
Let me hear you say - uh uh
Louder - uh uh
I said louder

Blow my whistle bitch

Men are you crazy
You must be out of your mind

You need to bring the beat back

Blow my whistle bitch
Blow it like ya mean it
I said blow
Le le let me hear you say - uh uh
Louder - uh uh
Let me hear you say - uh uh
Louder - uh uh
Is that what you call loud

Come on

Now you doing it (x2)
Like you supposed to
Now you doing it
Just a little bit louder now (x3)

Blow your whistle bitch (x6)
Blow the edge up like a laser guided missile
Blow your whistle bitch

Blow your whistle (x2)
Yeah, blow your bitch (x4)

Blow it like you mean it now
I like your level
I like your level
Blow my whistle baby
