2x squeeze your damn balloon

let me see you squeeze it (squeeze it)

squeeze your damn balloon

all the ladies in the house, if you got 'em let 'em out

what i wanna know is all

all i wanna know is

2x squeeze your damn balloon

let me see you squeeze it (squeeze it)

thats the reason

im on my knees in

damn girl, those are big ass balloons you got there

can i squeeze them

rub 'em, hold 'em, feel 'em

grab 'em, touch 'em, kiss 'em

squeeze 'em,

rub, hold, feel

grab, touch, kiss

squeeze
