Keep you spirit high,
and let it flow,
Ill take you where you want to go,
open up and let me free your soul,
just let your body loose control

Keep your spirit high,
and let it flow,
Ill take you where you want to go,
open up and let me free your soul,
just let your body loose control

This is...
The DJ Alligator...
Remix!

Keep your spirit high.
and let it flow,
Ill take you where you want to go (Alligator),
open up and let me free your soul,
just let your body loose control (Remix)

Keep your spirit high.
and let it flow,
Ill take you where you want to go (Alligator),
open up and let me free your soul,
just let your body loose control (Remix)
