Caroling, caroling, now we go
Christmas bells are ringing
Caroling, caroling through the snow
Christmas bells are ringing

And the bells rang and the children sang
It was Christmas everywhere

They took some holly, took some mistletoe
Found a wind free night, sprinkled it with snow
Found some reindeer's and a reindeer sleigh
And a shiny start to show the way

They found some tinsel, bright and glittery
Where the candy came on a tiny tree
All the happy songs the children sing
And some jingle bells that ring, ring, ring

And the bells rang
(And the bells rang)
And the children sang
(And the children sang)
There was music in the air

And the bells rang
(And the bells rang)
And the children sang
(And the children sang)
It was Christmas everywhere

(And the bells rang)
They found some stories children love to hear
(And the children sang)
Filled with stockings, full of Christmas cheer

Found three wise men all traveling
Found the wise wise men and a new born king

(And the bells rang)
And when they finished, trimming every tree each
(And the children sang)
The bells begin to ring, oh, so merrily

(It was Christmas everywhere)
Tell the world we found a way
To put together merry Christmas day

And the bells rang
(And the bells rang)
And the children sang
(And the children sang)
There was music in the air

And the bells rang
(And the bells rang)
And the children sang
(And the children sang)
It was Christmas everywhere
