I really can't stay
Baby it's cold outside
I gotta go away
Baby it's cold outside
This evening has been
Been hoping that you'd drop by
So very nice
I'll hold your hands they're just like ice
My mother will start to worry
Beautiful what's your hurry?
My father will be pacing the floor
Listen to the fireplace roar
So really I better scurry
Beautiful please don't hurry
Well maybe just a half a drink more
Put some records on while I pour

The neighbors might think
Baby it's bad out there
Say.. what's in this drink?
No cabs to be had out there
I wish I knew how to break the spell
Your eyes are like starlight now
I'll take your hat your hair looks swell
I ought to say no, no, no sir
Mind if I move in closer?
At least I'm gonna say that I tried
What's the sense of hurtin' my pride?
I really can't stay
Baby don't hold out
(Both) Ahh but it's cold outside!
I simply must go
But baby it's cold outside
The answer is no
But baby it's cold outside
This welcome has been so nice and warm
Look out the window at that storm
My sister will be suspicious
Gosh your lips look delicious!

My brother will be there at the door
Waves upon a tropical shore
My maiden aunts mind is vicious
Gosh your lips are delicious!
Well maybe just a cigarette more
Never such a blizzard before

I've got to get home
But baby you'll freeze out there
Say lend me a coat?
It's up to your knees out there!
You've really been grand
I feel when you touch my hand
But don't you see?
How can you do this to me?
There's bound to be talk tomorrow
Think of my life long sorrow!
At least there'll be plenty of invised
If you caught pnemounia and died!
I really can't stay
Get over that old out
Ooooooooh!
(Both) Ahhh but it's cold.....Outside
