"Day After Forever"

All day tomorrow
I'll be whispering your name
And the day after forever
I know, I'll do the same

May time or winter
I won't let you out of sight
And the day after forever
We'll talk about tonight

Your laughter is a melody
That I'll remember long
It plays upon my heartstrings
It's my favorite song

All through a lifetime
I'll be loving you and then
On the day after forever
I'll just begin again

All through a lifetime
I'll be loving you and then
On the day after forever
I'll just begin again
