Good, good, good, that's you, that's you  
Nice, nice, nice, that's you, that's you  
Fine, fine, fine, that's you, that's you  
Good, good, good, that's you, that's you

Your tasty lips are sweeter than a lollipop  
And every time I kiss you, oh, I hate to stop  
Keep talkin'  
I wrack my brain to find the proper adjective  
A sentimental compliment to give you

Good, good, good, that's you, that's you  
Nice, nice, nice, that's you, that's you  
Fine, fine, fine, that's you, that's you  
Good, good, good, that's you, that's you

Good, good, good, that's you, that's you  
Nice, nice, nice, that's you, that's you  
Yum, yum, yum, that's you, that's you  
Good, good, good, that's you, that's you

Good, good, good, that's you, that's you  
Sweet, sweet, sweet, that's you, that's you  
Yum, yum, yum, that's you, that's you  
Good, good, good, that's you, that's you

I never went to Eaton University  
Therefore I have a limited vocabulary  
And so I use the language that I have on hand  
While making love to you on your veranda

Good, good, good, that's you, that's you  
Nice, nice, nice, that's you, that's you  
Fine, fine, fine, that's you, that's you

Good, good, good  
Sweet  
Fine, fine, fine  
Yum, yum, yum

Good, good, good, that's you, that's you
