I saw the harbor lights
They only told me we were parting
The same old harbor lights
That once brought you to me
I watched the harbor lights
How could I help if tears were starting?
Goodbye to tender nights
Beside the silvery sea
I long to hold you near
And kiss you just once more
But you were on the ship
And I was on the shore
Now I know lonely nights
For all the while my heart is whispering
Some other harbor lights
Will steal your love from me
Now I know lonely nights
For all the while my heart is whispering
Some other harbor lights
Will steal your love from me
