I can't begin to tell you  
How much you mean to me  
My world would end  
If ever we were through

I can't begin to tell you  
How happy I would be  
If I could speak my mind  
Like others do

I make such pretty speeches  
Whenever we're apart  
But when you're near  
The words I choose  
Refuse to leave my heart

So take the sweetest phrases  
The world has ever known  
And make believe  
I've said them all to you

I make such pretty speeches  
Whenever we're apart  
But when you're near  
The words I choose  
Refuse to leave my heart

So take the sweetest phrases  
The world has ever known  
And make believe  
I've said them all to you
