By a country road wild roses grow
That need my special care
So I haven't time to be a millionaire

And a cheerful brook on a mountain side
Is sad when I'm not there
So I haven't time to be a millionaire

And a friendly gang of robins are peeved when I forget
That I'm the second tenor in their quartet

So with all the things I have to do, I'm very much aware
If I wished for wealth it wouldn't be quite fair
'Cause I haven't time to be a millionaire

I haven't time to be a millionaire
'Cause cheerful brook on a mountain side is sad when
I'm not there
I haven't the time to be a millionaire

And a friendly gang of robins are peeved when I forget
That I'm the second tenor in their quartet

So with all the things I have to do, I'm very much aware
If I wished for wealth it wouldn't be quite fair
'Cause I haven't time to be a millionaire
