Moonlight and music and warm spring breeze  
Sing a little song about them, if you please

Did I see moonlight and magnolia trees?  
Smile again, my darling, if you please

Did I hear music on a warm spring breeze?  
Speak again, my darling, if you please

Did I feel cool September rain just then?  
If you please, touch my cheek with your hand again

When you are near me I can dream with ease  
And I'm yours, my darling, if you please

Did you see moonlight and magnolia trees?  
Smile again, my darling, if you please

Did you hear music on a warm spring breeze?  
Speak again, my darling, if you please

Did I feel cool September rain just then?  
And if you please, won't you touch my cheek again,  
again?

When you are near me I can dream with ease  
And I'm yours, my darling, if you please
