Trotter Orchestra

Written by: Meredith Willson

It's beginning to look a lot like Christmas everywhere
you go

Take a look in the five and ten glistening once again
With candy canes and silver lanes aglow.

It's beginning to look a lot like Christmas

Toys in every store

But the prettiest sight to see is the holly that will be
On your own front door.

A pair of Hopalong boots and a pistol that shoots

Is the wish of Barney and Ben

Dolls that will talk and will go for a walk

Is the hope of Janice and Jen

And Mom and Dad can hardly wait for school to start
again.

(It's beginning to look a lot like Christmas

Everywhere you go)

There's a tree in the Grand Hotel, one in the park as
well,

The sturdy kind that doesn't mind the snow.

(It's beginning to look a lot like Christmas)

Soon the bells will start,

And the thing that will make them ring

Is the carol that you sing right within your heart.

* * * * *

It's beginning to look a lot like Christmas

Toys in every store

But the prettiest sight to see is the holly that will be

On your own front door.

Sure it's Christmas once more.
