Your sweet expressions  
The smile you gave me  
Way you looked when we met

It's easy to remember  
But so hard to forget

I hear you whisper  
"I'll always love you"  
I know it's over, and yet

It's easy to remember  
But so hard to forget

So I must dream  
To have your hand caress me  
Fingers press me tight

I'd rather dream  
Than have that lonely feeling  
Stealing through the night

Each little moment  
Is clear before me  
And though it brings me regret

It's easy to remember  
But so hard to forget

Your sweet expressions  
The smile you gave me  
The way you looked when we met

Easy to remember  
But so hard to forget

I hear you whisper  
"I'll always love you"  
I know it's over, and yet

Easy to remember  
Oh so hard to forget

So I must dream  
To have your hand caress me  
Fingers press me tight

I'd rather dream  
Than have that lonely feeling  
Stealing through the night

Each little moment  
Is clear before me  
And though it brings me regret

It's easy to remember  
But so hard to forget
