On the first of May, this is moving day  
Spring is here, so blow your job  
Throw your job away

Now's the time to thrust to your wanderlust  
In the city's dust you wait  
Must you wait, just you wait

In our mountain greenery  
Where God paints the scenery  
Just two crazy people together

While you love your lover  
Let blue skies be your cover-let  
When it rains, we'll laugh at the weather

And if you're good, I'll search for wood  
So you can cook  
While I stand looking

Beans could get no keener reception  
In a beanery bless  
Our mountain greenery home

In our mountain greenery  
Where God paints the scenery  
Just two crazy people together

Oh, how we love sequestering  
Where no pests are pestering  
No dear Momma holds us in tether

Mosquitoes here  
Won't bite you dear  
I'll let them sting, me on the finger

We could find no cleaner retreat  
From life's machinery  
Than our mountain greenery home

In our mountain greenery  
Where God paints the scenery

In our mountain greenery home
