Where are you now that I want you?  
Now that I want you so badly I could cry  
Where are you, where did fate lead you?  
Funny how I dreamed you'd still be standing by

I had you at my beck and call  
I called you anytime at all  
I guess I took too much for granted  
I never thought I'd lie awake and sign

Where are you now that I need you?  
Now that I love you so madly I could die

I had you at my beck and call  
I called you anytime at all  
I guess I took too much for granted  
I never thought I'd lie awake and sign

Where are you now that I need you?  
Now that I love you so madly I could die  
Where are you baby, now that I need you?  
So madly that I could die
