'Cause my hair is curly  
Just because my teeth are pearly  
Just because I always wear a smile  
Like to dress up, in the latest style

'Cause I'm glad I'm livin'  
I take these troubles all with a smile  
Just because my color's shady  
That's the difference, maybe, why they call me

Shine, sway your bluesies  
Why don't you shine? Start with your shoesies  
Shine each place up, make it look like new  
Shine your face up, I want to see you wear a smile or  
two

Why don't you shine your these and thoseies?  
You'll find everything's gonna turn out right fine  
Folks will shine up to ya', everybody's gonna howdy  
doody do-ya'  
You'll make the whole world shine, oh chocolate drop,  
that's me

'Cause my hair is curly, man's got curly hair  
Now just because my teeth are pearly, also got pearly  
teeth  
Just because I always wear a smile, oh, keep on smiling  
Like to dress us, babe, in the latest style

'Cause I'm glad I'm livin'  
I take these troubles all with a smile  
Now just because my color's shady, you's a shady baby  
That's the difference, maybe, why they call me

Shine away your bluesies  
Shine, start with your shoesies  
You'll make the whole world shine
