Sweet, you in the moonlight
Sweet is the word for you
For all that you have done for me
The one for me is you

Sweet, you in the starlight
Sweet is the word for you
But all the stars that glow above
Seem to know of my love for you

Because of you the wind is wine tonight
My heart sings with every beat
Are you a dream here in the moonlight?
Sweet is the word for you

And yet you seem divine tonight
You're mine tonight, my sweet
