Everybody hand in hand
Swingin' down the lane
Everybody's feelin' grand
Swingin' down the lane

That's the time I miss that bliss
That we might have known
Nights like this when I'm all alone

When the moon is on the rise
Honey, I am so blue
Watchin' lovers makin' eyes
Like we used to do

When the moon is on the way
Still I'm waitin' all in vain
Should be swingin' down that lane with you

When the moon is on the rise
Honey, I am so blue
Watchin' lovers makin' eyes
Like we used to do

When the moon is on the way
Still I'm waitin' all in vain
Should be swingin' down that lane with you
