You came I was alone
I should have known
Your temptations

You smile gloring me on
My heart was gone
Your temptations

It would be thrilling
If you were willing
If you can never be

If you be on your born to be kissed
I can't resist your temptations
And I am yours here is my heart

Take it and say we'll never part
I'm just a slave only a slave for
Your temptations

For your born to be kissed
I can't resist your temptations
And I am yours, here is my heart

Take it and say we'll never part
I'm just a slave only a slave for
Your temptations
