The very thought of you and I forget to do  
The little ordinary things that everyone ought to do  
Im living in a kind of daydream  
Im happy as a king  
And foolish though it may seem  
To me thats everything

The mere idea of you, the longing here for you  
Youll never know how slow the moments go till Im near  
to you  
I see your face in every flower  
Your eyes in stars above  
Its just the thought of you  
The very thought of you, my love

(Bridge)

The mere idea of you, the longing here for you  
Youll never know how slow the moments go till Im near  
to you  
I see your face in every flower  
Your eyes in stars above  
Its just the thought of you  
The very thought of you, my love
