(BC)

If you're whistlin' 'cause you're happy
Be very careful Pappy
No tellin' what just a whistler's mother-in-law will do
Oh. the mummies around the kitchen
Attendin' to her stitchin'
There's granny behind the door keepin' an eye on you.
She's got a direct suspicion
You aim to do some fishin'
Your whistlin', I declare, gave it away for sure
But I reckon you mighta' known it
Might just as well postpone it
You ain't gonna go nowhere
'sept on a lecture tour.

(ML)

John, John, that's what I'm a'callin'
Hurry up and haul that coal
John, John, I'm not only stallin'
This old lady's up to som'thin'
Sure as you're born

(BC)

As you listen to granny cackle,
She found your fishin' tackle
A whistle for all your plans now for the good they'll do
Look at granny, she's got the flivver
She's headin' for the river
Well isn't that like a man's mother-in-law for you

(ML)

John, John, that's what I'm a'callin'
Hurry up and haul that coal

(BC)

I hauled that yesterday.

(ML)

John, John, I'm not only stallin'

This old lady's up to som'thin'
Sure as you're born

(BC)

As you listen to granny cackle,
She found your fishin' tackle
A whistle for all your plans now for the good they'll do
Look at granny, she's got the flivver
She's headin' for the river
Well isn't that like a man's mother-in-law for you
