Wait till the sun shines Nellie
When the clouds go driftin' by
We will be so happy, Nellie
Don't let me hear you sighin'
I can't stand to see you cryin'

Down Lover's Lane, we'll wander
Sweetheart you and I
If you will wait till the sun shines, Nellie
Bye, bye and bye

Wait till the sun shines Nellie
When the clouds go driftin' by
We will be so happy, Nellie
Don't let me hear you make a sigh
Don't let me hear you make a sigh

Way down in Lover's Lane, we'll wander
Sweetheart you and I
We'll be so happy together
But it all to thee depends on the weatherman, Nellie,
Nellie

Don't you sit down there and sigh
If we will wait till the sun shines Nellie
In the sweet, in the sweet, in the sweet
Just [Incomprehensible] and wait till the sweet by and
