Why must I live in dreams  
Of the days I used to know?  
Why can't I find real piece of mind  
And go back to the long ago?

Where the blue of the night  
Meets the gold of the day  
Someone waits for me

And the gold of her hair  
Crowns the blue of her eyes  
Like a halo tenderly

If only I could see her  
Oh, how happy I would be

Where the blue of the night  
Meets the gold of the day  
Someone waits for me

If only I could see her  
Oh, how happy I would be

Where the blue of the night  
Meets the gold of the day  
Someone waits for me
