Gonna whine..
Seems it's alright to leave me
Wanna cry
But sometimes I just feel so high I can fly
I'm feel tired of waiting for you in the night
Where I can't see what I must do

[REFREN]

I wanna see you
Wanna hold you
Wanna touch you
You make me feel so right !
I wanna kiss you
Wanna call you
Wanna love you
Everyday & night !
...See you
Wanna hold you
Wanna touch you
You make me feel so right !
I wanna kiss you
Wanna call you
Wanna love you
Everyday & night !

Take a look in the past
You'll find what you did
Take a look deep inside
You'll find what you need
Tell me why ?
Why you can't complete my belief ?
Wanna cry
'Cause I can't see what I've received

[REFREN]

I wanna see you
Wanna hold you
Wanna touch you
You make me feel so right
I wanna kiss you
Wanna call you
Wanna love you

Everyday & night !
...See you
Wanna hold you
Wanna touch you
You make me feel so right
I wanna kiss you
Wanna call you
Wanna love you
Everyday & night !

Hey, life will go on without you
... or with you
But just in my heart I think about you
Without you
... or with you
Deep in the night...

[REFREN]
I wanna see you
Wanna hold you
Wanna touch you
You make me feel so right !
I wanna kiss you
Wanna call you
Wanna love you
Everyday & night !
...See you
Wanna hold you
Wanna touch you
You make me feel so right !
I wanna kiss you
Wanna call you
Wanna love you
Everyday & night !
