Don't you know,
Don't you know, Don't you know, Who are I'm?
Hello, hello, hello again.
Don't you know?
Don't you know, Don't you know, Who are I'm?
Hello, hello, hello again.

Don't you know,
Don't you know, Don't you know, my name?
Still here, Still here, hello again ...
Don't you know?
Don't you know, Don't you know, my name?
Still here, Still here, hello again ...
Don't you know,
Don't you know, Don't you know, Who are I'm?
Hello, hello, hello again.
Don't you know,
Don't you know, Don't you know, my name?
Still here, Still here, hello again ...

Can't you see,
Can't you see, Can't you see,
inside, inside, inside, inside my mind?
If I could, If I could, say this word one last time,
Hello, hello again ...

Hello again ...
