Intoxicating...
Exhilarating... (x2)

Intoxicating...
I just can't get enough
Exhilarating...
It's the feelin' that I love (x2)

I've never felt
Like this before
I've never wanted
Lovin' more
I've waited all
My life for this
A simple sign
Or a little kiss

I just want to say I need you
And it feels good when I'm with you
Can't you see I just can't get enough
It's the feeling that I love

Intoxicating...
I just can't get enough
Exhilarating...
It's the feelin' that I love (x2)
