I'll be the one your side
Wanna tell you how I feel
Show me you're everything and I,
Take me away on you're side,

Take me away
Wanna tell you how I feel
Take me away....
Away.....

So here we are again my girl,
Is it love or just a game?
Would you be more than just a friend
So take me away..

Take me away
Wanna tell you how I feel
Take me away
Take me away (Take me away)

Take me away (Take me away)
Take me away (Take me away)

Take me away (Take me away)
Take me away (Take me away)

Take me away (Take me away)
Take me away (Take me away)

Take me away
(Come on take me away)
Take me away
Why don't you take me away
Take me away
Come on take me away (Come on take me away)

Take me away (Take me away)
Take me away (Take me away)

Take me away (Take me away)
Take me away (Take me away)

Take me away
(Come on take me away)
Take me away
Why don't you take me away
Take me away
Come on take me away (Come on take me away)
