Going out tonight  
Like I ain't never left the house before, oh  
I'm all laced up tight  
Feelin' so fly as I walk out the door, oh

Heels hit the pavement like a drum  
So you know they hear me come  
When I strut in  
Like I own the club  
And I'm not wasting any time  
So I'm makin' a b line  
Underneath the spot light  
You'll find me there all night

Cause these boots were made for dancin'  
Oh oh oh, oh oh oh  
When I move, the whole world's watchin'  
Oh oh oh, oh oh oh  
Sweat drippin' off the ceiling  
There ain't no concealing  
My body's revealing, woah oh  
Don't you know that these boots  
Were made for dancin'  
Oh oh oh, oh oh oh

I'm starting a fire  
This white hot leather's smoking up the room, oh  
I'm electrified  
I whip my hair to the music  
My body's so into it, I'm so in tune

And I'm just here to have fun  
Go hard 'til I see the sun rise  
Blazin', we sh-shuttin' it down  
And the DJ's a friend of mine  
Turn it up we getting so live  
Ain't no stoppin' us now

Cause these boots were made for dancin'  
Oh oh oh, oh oh oh  
When I move, the whole world's watchin'

Oh oh oh, oh oh oh  
Sweat drippin' off the ceiling  
There ain't no concealing  
My body's revealing, woah oh  
Don't you know that these boots  
Were made for dancin'  
Oh oh oh, oh oh oh

Dirty, dirty dancin' the way I feel  
Nothin' else can quite match it  
When I put my boots on  
Feels like I'm so far gone  
I'm lost in the music  
I'm ready to do this  
All night long

These boots were made for dancin'  
Oh oh oh, oh oh oh  
When I move, the whole world's watchin'  
Oh oh oh, oh oh oh  
Sweat drippin' off the ceiling  
There ain't no concealing  
My body's revealing, woah oh  
Don't you know that these boots  
Were made for dancin'  
Oh oh oh, oh oh oh

These boots were made for dancin'  
Yea yea yea  
Made for dancin'  
Yea yea yea
