This time
you should
take me away

We stop at
nothing at all
take a chance now
right now
cause now im
losing Control
Im ready to go

This time
you should
take me away
to a new place
where it does
mind
keep night
on the sky

this time

this time

this time

This time
you should
take me away
to a new place

this time

why don't we
step out of
line
lets just have a
good time
forget about
the to do's
and open the

doors

This time
you should
take me away
to a new place

Where it does
mind
keep night
on the sky

this time

this time

this time

This time
you should
take me away
to a new place
